The sale of services (“Services”) and the delivery of work product associated with Services (“Work Product”) by Witekio France, and its divisions, subsidiaries, and affiliates (“Witekio”) to a customer (“Customer”) is subject to only these terms and conditions of sale (“Agreement”) regardless of any terms or conditions in a purchase order, document, or other communication of Customer (“Order”). Witekio rejects all terms in an Order. Services are performed by Witekio or its subcontractor, and may include performance of a task, assistance, support, access to resources, creation of software, or as otherwise described in a Statement of Work (“SOW”).

1. ORDERS.

Unless otherwise stated on the quote, quotes from Witekio are invitations to tender and are subject to change at any time without notice. All Orders are subject to acceptance by Witekio. Contracts between Customer and Witekio are formed upon Witekio’s written acceptance, **Electronic Data Interchange (“EDI”) acknowledgment** or execution of an SOW or Customer’s Order and are subject to this Agreement and the SOW, if any. In the event of a conflict between the terms and conditions of this Agreement and an SOW, the terms and conditions of the SOW shall prevail.

2. CUSTOMER RESPONSIBILITIES.

Witekio may rely on the specific instructions and information provided by Customer in an SOW. The scope of the work to be performed is tentative until confirmed in writing by both parties in the applicable SOW. Witekio is not responsible for any default or delays caused by Customer’s failure to timely confirm an SOW, to provide accurate and timely instructions, to provide comprehensive information, or to provide access to facilities or application environment.

3. PRICES.

- A.** The fixed price for Services as specified in the SOW is only subject to change as agreed by the parties.

- C. Schedule.** Witekio shall use commercially reasonable efforts to perform Services and deliver Work Product according to schedule. Performance or delivery may be delayed to allow for Customer to provide technical or requirements data, information necessary for Witekio's performance or review and approval of schedule milestones or interim deliverables.
